Introducing the NEW Model 35 Tailgate Mulcher. Rated at 7 ton of straw per hour, the Model 35 is powered with a 35 horsepower Lombardini air-cooled Diesel engine, or with a 35 horsepower Vanguard gasoline engine, and a 20" diameter, 8 blade fan. Other features include a fully rotational steel cannon discharge, belt drive and adjustable extension feed tray.

Built tough, the Tailgate Mulcher Model 35 is designed for all of your mid to large scale commercial and industrial jobs.

The Model 35 comes with the same great features you can expect from the Tailgate Mulcher, now available in a larger size. Skid or Trailer mounted, it is easily transported and can be mounted on the back of your truck or your own trailer.
